Take-Two and 2K are moving in 2020

As Take-Two grows and evolves, we need more space that better suits our needs. We also need to be in an area that attracts and retains the very best talent.

We have decided to relocate from Windsor to Central London which will provide us a more productive, comfortable and communal environment. It will set us up for the next decade of growth.

ELIZABETH LINE

Due for completion in 2020-21, the Elizabeth line will provide a new high speed train service providing thousands of commuters quick access into and across London.

Support for you

We'll subsidise your commute

For the first year after the move T2 will subsidise the cost of your Season Ticket by at least 60%, this will decrease by 1/3 in Year 2 and again by 1/3 in Year 3.

Example Season Ticket £2500

In Year 1 T2 will contribute £1500

In Year 2 T2 will contribute £1000

In Year 3 T2 will contribute £500

Over the coming weeks the HR team will reach out to you to establish your Season Ticket cost and set out the details regarding the subsidy.

Core Hours

We will move to core hours of 10am-4pm. Outside of these you should partner with your manager to decide what works best to balance your work/life. Everyone will still have their weekly contracted hours of 37.5. Core Hours are offered at the discretion of your Manager, based on business needs, and are not always guaranteed.

Examples of Core Hours:

Start 8am Finish 4.30pm

Start 9.30am Finish 6pm

Start 10am Finish 6.30pm

FAQ

Q: Who will be moving to 30 Cleveland Street?

A: All T2 and 2K employees based in Windsor

Q: What communication can I expect?

A: In addition to a rolling communication from the leadership team, we will be launching a website in December to feature live updates of progress, FAQ's and additional resources for the move.

Q: Will the culture change due to leaving Windsor for Central London?

A: Our culture starts with our people and that's not changing. We will have more opportunities to work, relax and socialise together in a more creative and flexible environment.

FAQ

Q: What if colleagues/team members decide to leave?

A: We want everyone to be able to make this move work for them and their lives, however, we acknowledge that for a very small number it might not be easy.

The move is still a long way off - we want to provide job security for everyone. We will be holding 1-1's with each of you over the next 3 weeks to discuss personal circumstances.

Q: What is happening to Saxon House in Windsor?

A: We will be handing the building back to the Landlord upon moving to 30 Cleveland Street.
